FORTIS – We Bring Strength

FORTIS is a strategic resource to our clients in the accounting, finance and tax community. You can expect us to be disciplined and structured in our process to understand your organization and needs and deliver expected results = Key Talent

We recognize that no two clients are the same. That is why our Client Focused Process has been established to identify with our clients their unique needs. As a result of this process we are able to attract and retain top accounting, finance and tax professionals to meet the needs of our client organizations on an interim, special project and direct hire basis.

Our Client Focused Process:

Identify - Each company and their needs are unique. We work to understand your organization and the strategic needs of your accounting and finance department. As a result we gain an understanding of the professionals required to help you achieve your goals and objectives. We take the guesswork out of the process and develop a solutions based plan along with qualifying screening questions.

Attract – We represent you. With our intimate knowledge of your organization, we become a voice to industry about your company and attract the talent necessary to meet the growing or strategic needs of your organization.

Assess – FORTIS Focus on Talent ensures that your needs and those of the professionals we represent will be the ultimate match for your organization. Our extensive process ensures that we can provide you with presentations of leading talent for your needs.

Retain – All this work; now what? Our Client Focused Process and our FORTIS Focus on Talent ensures a long term fit whether on an interim basis or direct hire. Our goal is to deliver results consistently and to build your department with strength of talent that will help you to achieve your goals and objectives. In doing so, we keep you and our candidates at the center of our process, because your success is our success.
